

CURRICULUM VITAE OF
Reza Tabrizi,
MS.c in Epidemiology and Ph.D student in Health Policy
The University of Shiraz University of Medical Sciences,

Personal

Surname: Tabrizi

First name: Reza

Citizenship: Iran

Address (office): Health Policy Research Center, Shiraz University of
Medical Sciences, Iran, Postal code: 45794-71348

Telephone (office): +9832309615

Cell Tel: +989178121178

Fax: +9832309615

E-mail: r.tabrizi66@yahoo.com or kmsrc89@gmail.com

University Education

2016- Present Ph.D, Health Policy, Shiraz University of Medical Sciences, Iran

2010-2013 Master Sciences (M.S), Epidemiology, Kerman University of Medical Sciences, Iran

2008-2010 Bachelor of Science (BS), Public Health, Kerman University of Medical Sciences, Iran

2006-2008 Associate Degree, Public Health, Semnan University of Medical Sciences, Iran

Professional experience

2011-2012

Student Research Committee, Kerman University of Medical Sciences, Iran

- I got involved in student committee as a voluntary work. My task as head of student committee was the providing of space for training, consulting, approving of students' researches by group of faculty members and senior students.

2011

Research consultant, Research office of public health faculty, Kerman University of Medical Sciences, Iran

- I got involved in consultation in research office as a voluntary work. My task was the providing of information about statistical analysis, research designing and writing article research etc to clients.

2014- Present

Health Policy Research Center, Shiraz University of Medical Sciences, Iran

- I has designated as a research expert my responsibilities are: taking part about the study on communicable disease (CD) such as tuberculosis, hepatitis and on non-CD such as kidney, liver, nutrition, road traffic accident and other subject related to health policy on non-communicable diseases. Also, I was engaged as executive or scientific team in international conferences about woman, traffic accident, family physician which held by Health Policy Research Center.

Membership

From December 2016: Reviewer Shiraz E-Med journal

Publications (peer reviewed)

Attended Short Courses, Workshops

- 2012, Scientific writing- Kerman University of Medical Sciences, Iran.
- 2010, Literature review in medical database- Kerman University of Medical Sciences, Iran.
- 2012, Working with STATA Software, Kerman University of Medical Sciences, Iran.
- 2012, Sample size determination, Kerman University of Medical Sciences, Iran.
- 2012, Management of long documents by Word office soft ware, Kerman University of Medical, Iran.
- 2010, Working with GIS Software, Kerman University of Medical Sciences, Iran.
- 2012, Searching and retrieving scientific information on the web, Kerman University of Medical Sciences, Iran.
- -2012, How to have a personal library? Use of Endnote to manage scientific information and references, Kerman University of Medical Sciences, Iran.
- 2012, Paper writing on qualitative research paper , Kerman University of Medical Sciences, Iran.
- 2012, Paper writing on quantitative research , Kerman University of Medical Sciences, Iran.
- 2012, Intellectual property rights and publication ethics, Kerman University of Medical Sciences, Iran.
- 2012, Steps to submit a manuscript to scientific international journals via internet, Kerman University of Medical Sciences, Iran.
- 2012, How to design a questionnaire, Kerman University of Medical Sciences, Iran.
- 2012, R Statistical Software, Kerman University of Medical Sciences, Iran.

Teaching Experience:

- 2011, working with GIS Software workshop, Esfahan University of Medical Sciences, Iran.
- 2011, research methodology workshop, Kerman University of Medical Sciences, Iran.
- 2012, advanced research methodology workshop, Kerman University of Medical Sciences, Iran.
- 2015, proposal writing, Shiraz University of Medical Sciences, Iran.
- 2017, working with Endnote Software workshop, Shiraz University of Medical Sciences, Iran.
- 2017, Types of observational studies, Shiraz University of Medical Sciences, Iran.
- 2017, Types of interventional studies, Shiraz University of Medical Sciences, Iran.

Computer Skill & Statistical Packages

- STATA
- SPSS
- Microsoft Package (Word, PowerPoint, Excel, Access)
- Endnote
- GIS

Linguistic Skill

English: moderate working proficiency
