

PERSONAL INFORMATION

Family name: Maharlouei

First name: Najmeh

Date of birth: January 26, 1976, Shiraz, Iran

Marital Status: Married, one daughter

Highest Academic Degree: Specialty in Community Medicine

Current Position: Faculty Member

E-mail: najmeh.maharlouei@gmail.com; maharluei@sums.ac.ir

Tel/Fax: +98-713-2309615

URL for web site: http://health-policy.sums.ac.ir/en/about_centre/members/Experts.html

Address: Health Policy Research Center, Building No. 2, 8th Floor, Shiraz Medical School, Shiraz,
Iran

MAIN RESEARCH INTERESTS

- Women's Health
- Reproductive Health
- Family Health
- Community Health

EDUCATIONAL BACKGROUND

11.22.2006 – 12.21.2009 **Community Medicine Specialty**

Medical school, Department of Community Medicine, Shiraz

University of Medical Sciences, Iran.

Supervisors: Prof. Mehrdad Askarian

Dissertation: Predicting hand hygiene among Iranian health care workers and medical students using the theory of planned behaviour.

09.23.1995 – 09.23.2002 Medical Doctor (MD)

Shiraz Medical School, Shiraz University of Medical Sciences,
Iran.

Supervisor: Prof Jamshid Ahmadi

Dissertation: To evaluate the prevalence of substance abuse among
Nursing students of Shiraz University of Medical Sciences, 2000.

WORKING BACKGROUND

| Position | Name of Institution | Date |
|----------------------|---|---------------|
| Associate Professor | Shiraz University of Medical Sciences | 2016- present |
| Assistant Professor | Shiraz University of Medical Sciences | 2010- 2016 |
| Adjunct Teacher | Jackson State University | 2011 |
| Instructor | School of Management and Medical Information Sciences, Shiraz University of Medical Sciences | 2007-2008 |
| General Practitioner | Hemodialysis ward of Namazee hospital (A referral teaching hospital) | 2003-2004 |
| General Practitioner | Emergency Room of Namazee hospital (A referral teaching hospital) | 2002- 2003 |

TEACHING EXPERIENCES

| | Course Title | Level | Date | Name of Institute |
|----|---|------------------|--|--|
| 1. | Health care systems | MPH | 2018 (Fall Semester) 2019 (Fall Semester) 2020 (Fall Semester) | The SUMS School of Medicine |
| 2. | Application of Computer in Medical sciences | MPH | 2015 (Spring Semester) 2015 (Fall Semester) 2016 & 2017 (Fall Semester) 2017-2020 (Fall Semester) | The SUMS School of Medicine |
| 3. | Health Information System | MPH | 2015-2018 (Spring Semester) | The SUMS School of Medicine |
| 4. | Primary health care in Iran and other countries | PhD | 2013 & 2015 (Spring Semester) | The SUMS School of Dentistry |
| | | | 2018 (Fall Semester) | The SUMS School of Medicine |
| 5. | Health system management | PhD | 2013 & 2015 (Spring Semester) | The SUMS School of Dentistry |
| 6. | Type of Studies | Medical students | 2016 (Summer) | Summer School for Iranian Medical students |
| 7. | Advance SPSS workshop | Medical Staff | 2014 & 2015 | Shiraz HIV/AIDS Research Center |
| 8. | How to write a proposal (Workshop) | Medical Students | 2014 | The SUMS School of Medicine (International Branch) |
| 9. | How to write a thesis (Workshop;3 days) | Medical Students | 2014 | The SUMS School of Medicine (International Branch) |

| | | | | |
|-----|------------------------------------|-----------------------------------|-----------------------------------|---|
| 10. | Project Management (Team Teaching) | PhD | 2013 | Shiraz University of Medical Sciences |
| 11. | Oral health care system in Iran | PhD | 2013 (Spring Semester) | The SUMS School of Dentistry |
| 12. | How to design a health system | PhD | 2013 (Spring Semester) | The SUMS School of Dentistry |
| 13. | Biostatistics | MPH | 2012 | Jackson State University |
| 14. | SPSS Application (Workshop) | Medical students Medical Staff | 2011- present (several times) | Shiraz University of Medical Sciences |
| 15. | Research Methodology (Workshop) | Medical students Medical Staff | 2011-present (several times) | Shiraz University of Medical Sciences |
| 16. | Generalities in Medicine | Bachelor | 2007-2008 | the SUMS School of Management & Medical Information Science |

AWARD

Second rank in the National Board Examination of Community Medicine (2009)

MENTORING AND CO-SUPERVISION

1. 2020-

Nima Kargar, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: Evaluating the effect of counseling for pregnant mother during Coronavirus pandemic on neonatal health, A semi-experimental study

Supervisor

2. 2018- 2020

Sogand Farhangian, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: Evaluating problem solving skill in children born small for gestational age, a prospective cohort study

Supervisor

3. 2018- 2020

Artin sarkarinezhad, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: Comparing social skills in children based on socio-economic status, a prospective cohort study

Supervisor

4. 2018- 2020

Seyed Alireza Dastgheib, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: Evaluation of Obesity Prevalence and its Associated Factors in the 40-70 Year Old Population of Kharameh City in 2014-2015

Supervisor

5. 2018- 2020

Hossein Alibeigi, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: Evaluating the relation between maternal mental health and communication skill in kids, a prospective cohort study

Supervisor

6. 2018- 2020

Ariyan Azadpour, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: Evaluating validity and reliability of physical activity questionnaire in 6-year old children, shiraz,2018

Supervisor

7. 2018- 2020

Fatemeh Tavana, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: Evaluating the effects of vitamin D supplementation on muscle function among postmenopausal women: a systematic review and meta-analysis of randomized controlled trials

Principle Investigator

8. 2011-

Project Title: Evaluating relation among maternal health, mode of delivery and children's health from birth to age 12 years, A prospective cohort study

Principle Investigator

9. 2018- 2020

Reza Tabrizi, PhD candidate. Health Policy Research Center, Shiraz University of Medical Sciences.

Thesis Title: Presenting a model for prevention of ischemic stroke based on the attributable risks related with its risk factors in Iran

Consultant

10. 2017- 2019

Diba Ketabi, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: investigating the relationship between breast feeding and infection in children, a cohort study

Supervisor

11. 2017- 2019

Bahareh Salajeghe, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: investigating the relationship between breast feeding and childhood allergies, a cohort study

Supervisor

12. 2017- 2020

Bahar Morshed Behbahani, PhD candidate. Medical School, Shiraz University of Medical Sciences.

Thesis Title: study of the prevalence of infertility in Iran, A systematic review and meta-analysis

Supervisor

13. 2017- 2018

Project Title: The effects of ginger intake on anthropometric indicators and the glucose biomarkers and lipid profiles among overweight and obese subjects: a systematic review and meta-analysis of randomized controlled trials

Supervisor

14. 2018

Somayeh Bakhtiyari Bahador, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: Evaluating the relation between happiness and mental health, socioeconomic status, and in reproductive-age Women living in Shiraz, 2018

Supervisor

15. 2017- 2018

Omid Yousefi Shirazi, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: evaluating associated factors of mortality during 6 months after hip fracture, a cohort study, 2017-2018

Supervisor

16. 2016- 2018

Parisa Jahanbazi, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: Evaluating the relation between mental health and body mass index in women, Shiraz, 2016-2017.

Supervisor

17. 2016- 2018

Niloofer Salemi, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: Evaluating the relation between gestational age at birth and development in children born 1389.

Supervisor

18. 2016- 2017

.Nazanin Gholipour, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: Evaluating sexual desire level and associated factors in women, Shiraz, Iran, 2016-2017

Supervisor

19. 2016 – 2017

Rozhin Badiei, Resident of OB & GYN. Medical School, OB & GYN department, Shiraz University of Medical Sciences.

Thesis Title: Evaluating prevalence of infertility in Shiraz, 2016-2018.

Second Supervisor

20. 2015- 2017

Mahin Eksir, MPH student, Health Policy Research Center, Shiraz University of Medical Sciences.

Thesis Title: Studying the frequency of non-communicable diseases in breadwinner women referring to Shiraz Women's Health Clinic, 2016

Supervisor

21. 2015- 2016

Faranak Fathi, MPH student, Health Policy Research Center, Shiraz University of Medical Sciences.

Thesis Title: Studying the determinant factors of intention for having one child among mothers owned one child over five in Shiraz in 2015.

Supervisor

22. 2013 – 2018

Mahdi Abbaspour, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: To study post-partum morbidities in Fars Province, .

Supervisor

23. 2014 – 2016

Amirhosein Pour-Haghihi, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: To study associated factors of exclusive breast feeding in the first 4 months after birth in a cohort of children born in 2011, in Fars Province.

Supervisor

24. 2014 – 2016

Farnaz Bosaghzadeh, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: evaluating factors associated with duration of breast feeding in children born in 2011, Fars Province.

Supervisor

25. 2015 – 2016

Fatemeh Jafarzadeh, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: Evaluating the short term follow up outcomes of Hip fracture in patient who experience that in 1390-1391

Supervisor

26. 2013 – 2015

Parisa Mansouri, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: To study the outcome of the health of preterm neonates born in 2012 in Fars Province.

Supervisor

27. 2014 – 2015

Sina Atefi, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: To study the incidence of hip fracture and its associated factors in people 50 years of age & older in Shiraz, 2011- 2012.

Supervisor

28. 2014 – 2015

Fereshteh Kazemeini, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: Evaluation of self-rate health among Shiraz inhabitants more than 18 years old, 2014-2015.

Supervisor

29. 2011-2013

Abdolhalim Rajabi, Master student in Epidemiology. Public Health School, Epidemiology Department, Shiraz University of Medical Sciences.

Thesis Title: Predicting pregnant mothers' inclination toward mode of delivery (caesarean versus vaginal) by applying theory of planned behavior (TPB) in Fars Province 2012.

Advisor

30. 2010 – 2011

Noushin Allamezadeh, MD student. Medical School, Shiraz University of Medical Sciences.

Thesis Title: Evaluating determinant factors of neonatal mortality; A case- control study.

Supervisor

31. 2011-2013

Ali Dehghan, Master student in Counselling. Psychology department, Marvasdast Azad University.

Thesis Title: Comparison of anxiety level and psychological well-being between native and non-native students of Shiraz University of Medical sciences, 2012.

Advisor

32. 2010 – 2011

Fakhr-e-din Arman, MD student. Medical School, Shiraz University of Medical Sciences.**Thesis Title:** Evaluating predictors of quality of life in patients with stroke, Shiraz, 1388.**Supervisor****MEASURES OF ESTEEM**

- EDITOR-IN CHIEF

Women's Health Bulletin

- ASSISTANT EDITOR

- Shiraz Electronic Medical journal
